

XI'AN TECHNOLOGICAL UNIVERSITY

INTERNATIONAL STUDENTS PROSPECTUS (2023)

1. UNIVERSITY OVERVIEW

Xi'an Technological University is located in Xi'an, the ancient capital of civilization. Founded in 1955, it is a high-level key university in Shaanxi Province with a complete educational system for undergraduates and postgraduates. Our university boasts a long history and has formed the school motto of “upholding virtues and studies, enhancing knowledge and practice” with the feature of “focusing on engineering practice and highlighting manufacturing technology” in talent cultivation. In the course of more than 65 years, our university has trained more than 140,000 high-level professional talents with comprehensive quality and strong innovation.

Campus

2 campuses: Weiyang Campus, Jinhua Campus

200+ acres

the floor area is 800,000 square meters

People

Faculty members 1,900+

Postgraduates 3200+

Undergraduates 18000+

Alumni 140,000+

Programs

Bachelor's 56

Master's 57

Doctoral 3

Centers for post-doctoral studies 3

Research

Materials Discipline entered the top 1% of ESI international discipline rankings.

1 National and local joint engineering research center

1 National and local joint engineering laboratory

1 International science and technology cooperation base

1 Key laboratory of the Ministry of Education

23 Provincial and ministerial research bases

Practice

1 National experiment demonstration center

1 National engineering practice and education center

1 National university students' off-campus practice bases project

International cooperation

40+ Partner universities and institutes

200+ students and faculty mobility each year

2. APPLICATION TIME

Jan. 1, 2023--July 10, 2023

Degree program is available for September intake.

Language program is available for both March and September intake.

* Note: The earlier application is submitted, the greater possibility of admission with a scholarship is.

3. APPLICATION PROCEDURES

Stage 1: Documents submission.

Documents should be submitted online via <https://xatu.at0086.cn/StuApplication/Login.aspx>.

The application will be processed within 3 weeks after submission.

Stage 2: General review.

School of International Education will do a general review of students' application documents.

Stage 3: General interview.

Applicants will be required to attend a general interview if they pass the general review. The general interview time and platform will be informed via email.

A general interview will be done within 3 weeks after the application is submitted if applicants pass the general review.

Stage 4: Academic review (only for master and doctoral degree program applicants).

Academic schools will do an academic review over applicants' academic performance and potential.

Stage 5: Academic interview (only for master and doctoral degree program applicants).

Applicants will be required to attend an academic interview if they pass the academic review.

Academic interview result will be informed within 3 working days.

An academic interview will be done within about 3 weeks if applicants pass the general interview.

Stage 6: Pre-registration fee payment.

Successful applicants are asked to pay pre-registration fee 400 RMB after they receive the soft admission letter. Pre-registration fee is not refundable. Students do not need to pay registration fee again when they do the registration on campus.

Stage 7: Mailing JW202 and admission letter.

The university will mail JW202 and the admission letter to successful applicants who pay

pre-registration fee.

Stage 8: Campus registration.

Successful applicants are asked to do the registration on campus.

Note: All applicants are strongly advised to check their email regularly because each stage of the application procedures will be informed clearly through email.

4. APPLICANTS' QUALIFICATION

- (1) Foreigners over 18 and in good physical and mental health condition;
- (2) Language requirement: Chinese-taught program, applicants are expected to hold an HSK 4 certificate or above, or be a native speaker of Chinese; English-taught program, applicants are expected to pass IELTS 5.5 or TOEFL 75 or be a native speaker of English;
- (3) Academic performance: the average score is 70 or above in the latest education experience;
- (4) Age: bachelor: 18-23; master: 18-30; PhD: 18-35, language: 18-30, the age before Sep. 1, 2023;
- (5) Applicants beyond the age limits are not eligible for scholarships provided.

5. APPLICATION DOCUMENTS REQUIRED

The online application link is <https://xatu.at0086.cn/StuApplication/Login.aspx>.

Different documents are required for different programs. Common required documents can be found below. You are advised to submit the required documents when you do the application online.

- (1) Passport (validity for at least one year);
- (2) Criminal background check report and its translation into Chinese;
- (3) Foreigner Physical Examination Form (Appendix 1);
- (4) The valid visa or residence permit page if you are currently residing in mainland China;
- (5) Personal resume;
- (6) Highest degree achieved (the degree should be notarized if it is granted outside of China. The notarial certificate should be submitted as well; fresh graduates can submit a "Pre-graduation Certificate" by their current school and must submit the original degree and the notarial certificate after admission);
- (7) Highest degree's transcript;
- (8) Study plan;
- (9) Chinese language certificate (if any);
- (10) English language certificate (if any);
- (11) Reference letter;
- (12) Passport-size photo;
- (13) A full-length photograph;
- (14) Self-introduction video;
- (15) Economic Testimonial of annual income no less than 5000 USD;
- (16) Published academic works (if any);
- (17) Acceptance letter from supervisors in XATU (only for master and doctoral programs)

(applicants are advised to contact supervisors in XATU and get an acceptance letter from supervisors when applying) (Appendix 2);
 (18) Attend the interview upon request;
 (19) Full course Covid-19 vaccination certificate;
 NOTE: Please make sure all the documents provided are in Chinese or English.

6. Scholarship

Xi'an Technological University provides scholarships for its potential and on-campus international students. The scholarship is meant to help its potential students to find the solution to study in China for those with ambitious academic goals and excellent academic performance and those willing to study at XATU but with financial difficulties.

At present two kinds of scholarships are available.

1) Scholarship for newcomers (the first academic year)

- Xi'an 'One Belt One Road' Scholarship

Programs	Scholarship for Foreign Students
Language program	1000CNY/month (For 6-month to 12-month language program)
Bachelor degree program	15000CNY
Master degree program	20000CNY
Doctoral degree program	25000CNY

Note: Xi'an 'One Belt One Road' Scholarship is provided by Xi'an government.

- XATU New-coming Scholarship

Programs	XATU Scholarship for Foreign Students
Language program	50% tuition for first year
Bachelor degree program	50% tuition and 50% accommodation fee for first year
Master degree program	100% tuition, 100% accommodation fee for first year; stipend: 11000 CNY;
Doctoral degree program	100% tuition, 100% accommodation fee for first year; stipend: 25000CNY;

Note: XATU New-coming Scholarship is provided by Xi'an Technological University.

2) Scholarship for on-campus students

XATU Outstanding Academic Scholarship is intended for on-campus students who will be evaluated on an academic year base within length of schooling. Rules about this scholarship could be found in the School of International Education.

XATU Outstanding Academic Scholarship

Programs	Levels	Rewards
Bachelor degree program	First-class	100% tuition off
	Second-class	50 % tuition off
	Third-class	30% tuition off
Master degree program	First-class	100% tuition and accommodation fee; stipend: 11000 CNY;
	Second-class	100% tuition and accommodation fee; stipend: 10000 CNY;
	Third-class	100% tuition and accommodation fee; stipend: 8000 CNY;
	Fourth-class	100% tuition and accommodation fee;
Doctoral degree program	First-class	100% tuition and accommodation fee; stipend: 25000 CNY;
	Second-class	100% tuition and accommodation fee; stipend: 20000 CNY;

7. FEES

Tuition

Programs	Registration fee(CNY)	Tuition(CNY)
Language program	400	One-semester: 6000
		One academic year: 12000
Bachelor degree program	400	Liberal arts: 14000/yr
		Science & Engineering: 15400/yr
		Arts & Physical Education: 21000/yr
Master degree program	400	Liberal arts: 18000/yr
		Science & Engineering: 19800/yr
		Arts & Physical Education: 27000/yr
Doctoral degree program	400	Science & Engineering: 24200/yr

Medical Insurance

Time	Fee (CNY)
6 months	400
12 months	800

Note: In accordance with the law, all international students are required to be covered by medical insurance during their stay in China which shall be done on an academic year base.

Housing expenses

Room type	Price	Facilities
-----------	-------	------------

A (Single Room)	450 CNY/m	Single bed, mattress, wardrobe, desk, air conditioner, washing machine, refrigerator, microwave oven, induction cooker, smoke extraction machine, self-contained bathroom with shower equipment, network interface.
B (Standard Room)	300 CNY/m/person	

Note: All students are required to live on campus for the first year on arrival.

8. CONTACT INFORMATION

School of International Education
