

XI'AN TECHNOLOGICAL UNIVERSITY

INTERNATIONAL STUDENTS PROSPECTUS

(only for “Five Central Asian Countries Scholarship”, 2024)

1. UNIVERSITY OVERVIEW

Xi'an Technological University is located in Xi'an, the ancient capital of civilization. Founded in 1955, it is a high-level key university in Shaanxi Province with a complete educational system for undergraduates and postgraduates. Our university boasts a long history and has formed the school motto of “upholding virtues and studies, enhancing knowledge and practice” with the feature of “focusing on engineering practice and highlighting manufacturing technology” in talent cultivation. In the course of more than 65 years, our university has trained more than 140,000 high-level professional talents with comprehensive quality and strong innovation.

Campus

2 campuses: Weiyang Campus, Jinhua Campus

200+ acres

the floor area is 800,000 square meters

People

Faculty members 1,900+

Postgraduates 3200+

Undergraduates 18000+

Alumni 140,000+

International students 49

Programs

Bachelor's 56

Master's 57

Doctoral 7

Centers for post-doctoral studies 3

Research

Materials Discipline entered the **top 1% of ESI** international discipline rankings.

1 National and local joint engineering research center

1 National and local joint engineering laboratory

1 International science and technology cooperation base

1 Key laboratory of the Ministry of Education

23 Provincial and ministerial research bases

Practice

- 1 National experiment demonstration center
- 1 National engineering practice and education center
- 1 National university students' off-campus practice bases project

International cooperation

- 40+ Partner universities and institutes
- 200+ students and faculty mobility each year

2. SCHOLARSHIP BRIEF INTRODUCTION

The Special Scholarship for Xi'an "Five Central Asian Countries" International Students Education and Training Program is set up by Xi'an to provide financial support for outstanding international students from the above countries to come to Shaanxi for bachelor-degree or diploma education, and to cultivate high-level talents who are friendly to China and are keen to engage in diplomatic, foreign trade or cultural exchange activities between their countries and China.

The training program is implemented in two phases, including the "1+4" model for bachelor-degree education; "1" refers to the first year of preparatory study, mainly for Chinese language and Chinese culture, etc.; "4" refers to 4 years of undergraduate study. During the study period in Shaanxi, international students will receive subsidies for relevant expenses including tuition, accommodation allowance and stipend to help their study in Shaanxi.

3. PROGRAMS

Xi'an Technological University opens 47 undergraduate programs for international students, such as International Economics and Trade, Computer Science and Technology, Chinese International Education, and Chinese Language and Literature. Please refer to Appendix 1 for the complete programs list.

4. APPLICANTS' QUALIFICATION

- a) students with the nationality of Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan; friendly to China, and in good physical and mental health condition;
- b) Completion of senior high school education;
- c) Academic performance: the average score is 70 or above in senior high school;
- d) Age \leq 25;

5. APPLICATION DOCUMENTS REQUIRED

- (1) Passport (validity for at least one year);
- (2) “Five Central Asian Countries” International Student Education and Training Program Scholarship in Xi’an (Appendix 2);
- (3) Criminal background check report;
